

## LETTER CIRCULAR

**Date:** 21<sup>st</sup> January 2021 **Ref:** DLAP 014/2021  
**To:** All Heads of College Network and Heads of Primary Schools (State and Non-State)  
**From:** Isabel Zerafa – Education Officer, Science  
**Subject:** Primary Science – Webinars for parents/guardians

---

Heads of Schools are kindly informed that the Directorate for Learning and Assessment Programmes is launching a series of Primary Science webinars for parents/guardians of students in the primary years.

The aim of the Primary Science webinars is to:

- Provide an overview of Primary Science across the primary years.
- Highlight the importance of promoting Science, Technology, Engineering and Mathematics (STEM) from an early age.
- Address key areas vis-à-vis Primary Science, specific to the age category.
- Provide exemplars of doing inquiry-based Science in the primary using everyday resources.

Details of the Primary Science webinars can be accessed on the [Primary Science website](#).

Participation in these educational webinars is on a voluntary basis. Interested applicants are kindly requested to register their participation through the following [LINK](#). Registration will be open until a day before the date of each particular webinar.

Any queries can be forwarded to Ms Isabel Zerafa on [isabel.zerafa@ilearn.edu.mt](mailto:isabel.zerafa@ilearn.edu.mt).

Thank you for your cooperation.
