

1<sup>st</sup> March, 2021

Dear Head of School,

Although we are still going through a time of uncertainty, preparations for this year's 'L-Istrina BOV Piggy Bank' campaign are already under way. Therefore, I would like to invite all children to participate in the drawing competition we are launching in order to select the designs for the piggy banks, which this year will once again be made of recycled cardboard. The theme of the competition, which will pave the way for L-Istrina 2021, is **'Seeking what unites us'**.

Children can participate, individually or in groups, by sending their **original** drawings on A4 white paper by 30<sup>th</sup> April 2021 to the following address: Kompetizzjoni L-Istrina BOV Piggy Bank, The Malta Community Chest Fund Foundation, Il-Palazz tal-President, il-Belt Valletta VLT 1115. While no writing should be done on the respective drawing paper, the participant's name, postal address, school name, telephone number, and email address should be written on a separate sheet of paper.

Whilst sending my regards I urge you to keep safe and given that circumstances allow me to come and visit you I will look forward to meeting most of you in person.

Anyone who would like more information or have any questions can send an email to [mccf@gov.mt](mailto:mccf@gov.mt) or call on 22053317.

Sincerely,

Miriam Vella
