

STEM to the CAPITAL

The Science Centre (Pembroke) within the Directorate for Learning and Assessment Programmes is launching the 2nd edition of STEM to...entitled **STEM to the CAPITAL**. The initiative targets all students currently in Years 3 to 6 and aims to engage them in exploring STEM themes related to present and past capital cities around the Maltese islands, using language and folklore.

Students can participate in one of two categories according to their year group, namely:

- Category 1 for students in Year 3 and Year 4
- Category 2 for students in Year 5 and Year 6

The STEM to the CAPITAL initiative is spread over a three-week period spanning from Monday 19th July to Sunday 8th August 2021. All details are listed in the STEM to the CAPITAL guidelines and regulations document attached to this circular.

Interested students can register their participation by accessing the following [LINK](#). Registration deadline is **Friday 16th July 2021**.

All submitted work will be adjudicated by a panel of professionals in relation to the following criteria:

1. Content and relevance to task;
2. Use of language and overall quality work;
3. Integration of elements of STEM in the final product;
4. Creativity and presentation.

Three students, from each category, with the best overall submissions will receive a family voucher (1 adult and 1 child) for the Malta 5D experience.

Any queries and/or clarifications can be put forward by email to Ms Isabel Zerafa (Education Officer – Primary Science) on isabel.zerafa@ilearn.edu.mt

Thank you for your cooperation.

Regards,
Isabel Zerafa
Education Officer – Primary Science
