STEM to... the... **CAPITAL**

5. A panel of professionals will adjudicate each submission. The decisions of the adjudication panel are final and may not be contested.
6. Three students, from each category, with the best overall submissions will receive a family voucher (1 adult and 1 child) for the Malta 5D Experience.
7. To qualify for the final prize, participants must submit the final product for all three challenges.
8. Winners will be announced by the end of August on the [Science Centre Pembroke - Malta](#) Facebook page. A personalised e-mail will be sent to the winning participants.
